

signature cocktails

women in wheat field (apricot-lavender «milk punch» with gin, liqueur and sparkling wine).....	280
why are you in my dreams (aromatic sour based on biscuit vodka, honey and almond liqueurs, spicy bitter and lemon sherbet).....	280
something not forgotten (in this cocktail we will tell you about Polissia, combining ukrainian grapes spirits, plums and caramelized malt).....	280
dreamka (sweet and sour, gentle like a first dream, cocktail based on white rum, pisco, vanilla, red cabbage and an organic acids mix)	280
pure water potion (we want to tell you about the flavour watercress. Previously, it was used to purify water. Now we use this roots like a spice, and we decorate our homes with greens for the holidays. Paired for you with grape brandy and floral gin)	280
jasmine gimlet (sweet and sour cocktail based on gin and white sweet vermouth, with jasmine flavour and fresh basil).....	280
from Varyag to Greek (The trade route from the Varangians to the Greeks combined Vizantia and Scandinavian. Going through this way traders found new ingredients and collected them. for their big road. Nowadays, all these products you can find on local markets. So, we decided to take some of them for our Bloody Mary).....	280
bukova zemlya (we traveled to Bukovyna and tasted traditional ukrainian cake with honey, blueberry and sour cream. It amazed us so much, that we have decided to bring this recipe with us and transform it into a cocktail).....	280
the garden of Divine Songs (sweet and sour cocktail with apricots and apples from our farm. Gently combined with homemade liquor and calvados)	280
black Stars (introduce authentic Ukrainian drink to you - kontabas. Made it by ourselves. Supplemented with berries and fragrant herbs)	280

*you can take any of cocktail to-go
